

Does your patient need an ambulance?

Call the healthcare professional number for emergency and urgent transport to hospital or between hospital sites.

**0300 330
0295**

Please note: You will be asked clinical questions about the patient's condition. In a life-threatening situation or an emergency request, it is the responsibility of the attending clinician to make the call. Where delegation is unavoidable, the individual making the request for support should be in a position to answer triage questions about the patient's condition.

The healthcare professional number is not for use by members of the public.
