Harrogate and District NHS Foundation Trust

Expedite Requests

If an appointment needs expediting call 01423 553373 and speak to a member of the team in the call centre, they can contact the relevant team to look at the referral. At this point if applicable, please send the details to the following email address – urgentapptcentre.hdft@nhs.net with all the relevant details. – **Please do not use the email address until someone has been contacted directly at the Hospital and this has been discussed.**

If the email address is used inappropriately HDFT will send the email back to the practice.
