3. Executive Summary

The NHS Vale of York CCG Sustainable Development Management Plan, outlines the current and proposed activities to ensure the CCG meets its obligations to commission services and operate as an organisation in a sustainable way. Sustainability includes not just environmental concerns, but also social and financial sustainability.

4. Evidence Base

The Sustainable Development Management Plan is based upon our existing commitments against the national sustainable development framework, and identifies areas for further development in line with national guidance. The sustainability objectives will be incorporated into future planning to ensure sustainability is embedded throughout the organisation.

<p>5. Risks relating to proposals in this paper</p> <p>n/a</p>
<p>6. Summary of any finance / resource implications</p> <p>The objectives should be embedded within the organisation to help inform decision-making and planning, rather than create an additional resource implication.</p>
<p>7. Any statutory / regulatory / legal / NHS Constitution implications</p> <p>The Sustainable Development Management Plan will enable the NHS Vale of York CCG to meet its obligations under the NHS Carbon Reduction Strategy, Climate Change Act 2008 targets, Social Value (Public Services) Act 2012 and the HMT Sustainability Reporting Framework. The legal requirements are included within the Sustainable Development Management Plan.</p>
