Practice Nurse Engagement

Welcome to your new look PNE briefing.

Details of training and revalidation, past editions of the bulletin and lots more helpful information are all available on web pages dedicated to our Practice Nurse and Nurse Practitioner colleagues. [Bookmark these pages now.](#)

Need to know

Calling all Advanced Clinical Practitioners (ACP) and Physician Associates (PA)

The Humber, Coast and Vale Faculty of ACPs and PAs aims to ensure ACP and PA capacity meets service needs across the HCV region. The faculty has just published some very useful information about recruitment, training and projects. [Click here](#) or email Carly.McIntyre@hey.nhs.uk.

Join the conversation on What matters to you day

What Matters to You' Day (6 June 2019) encourages more person-centred conversations and works to raise awareness of the positive impact that asking 'What Matters to You?' can have.

Free materials are available to download or order at

<http://www.whatmatterstoyou.scot/> or by emailing england.wmtty@nhs.net

Don't forget to join the twitter conversation #WMTY2019.

Training, development and education opportunities

Healthcare Assistant Development Programme

When– Starts 20 June 2019

Where- Marriott Hotel, York.

[Download the flyer](#)

Book your place via england.northgpn@nhs.net by 6 June 2019

This course is designed to help expand the capacity and capability of HCA's by opening up leadership opportunities and supporting through learning the transition to the nursing associate role.

The programme is made up of 4 one day workshops, each focusing on one of the themes below.

- Introduction to Leadership and Management
- Facilitation of Learning
- Coaching in Practice (with a focus on CVD)
- A clinically orientated day selected by the regional GPN Board

Diabetes education opportunity

The Diabetes Local Enhanced Service recommends that at least one nurse and one GP from each surgery attends a three-hour session of diabetes education every two years.

The education sessions are free and created for local primary care health care professionals who have an interest in diabetic medicine.

[Find out more information here.](#)

RCN Foundation Professional Bursary Scheme

The RCN Foundation Professional Bursary Scheme offers grants of up to £5,000 per year for career development and CPD activities.

Applicants must meet specific criteria and apply by 31 May 2019.

[Find out more information here.](#)
