

# Cleaning a commode

	<p><b>1.</b> Wash hands thoroughly with liquid soap, warm running water, dry with paper towels and dispose of.</p>	 <p><b>2.</b> Put on disposable apron.</p>
	<p><b>3.</b> Put on disposable gloves.</p>	 <p><b>4.</b> Starting from the top, clean the back rest and arms (remember to clean under the arms).</p>
	<p><b>5.</b> Remove the lid and clean the lid of the commode, topside first then underside.</p>	 <p><b>6.</b> Remove the seat, if the design allows, and clean the top then underside.</p>
	<p><b>7.</b> Clean the seat frame, legs, and then foot pedals and wheels if there are any.</p>	 <p><b>8.</b> Remove gloves (these should be removed before your apron) and dispose of.</p>
	<p><b>9.</b> Remove apron and dispose of.</p>	 <p><b>10.</b> Wash hands thoroughly with liquid soap and warm running water.</p>

**Note:** Always use disposable cleaning cloths and dispose of when contaminated. Follow your local 'Safe disposal of waste Policy' for appropriate waste stream to be used.
