

Nursing Associates in Social Care

Webinar: Thursday 6th August 1-3pm

Register [here](#) for our webinar about embedding the **Nursing Associate** role in the Social Care sector.

In partnership with Health Education England and Skills for Care, Humber Coast and Vale Workforce Consortium will be sharing information on:

- The benefits of Nursing Associates in Social care
- How you can support a Trainee Nursing Associate from your organisation
- The funding and resource support on offer for employers
- Case studies from the Social Care sector

You can also ask direct questions and receive tailored advice for your own organisation.

For any queries please contact us [here](#)
