ABOUT HAXBY GROUP TRAINING

Who we are

Haxby Group delivers patient care across 11 surgeries in Hull & York, and has around 62,000 registered patients. Education is at the heart of Haxby Group and a learning culture has always been central to our multi-professional team, enhanced by becoming an Advanced Training Practice (ATP) 'Hub' in 2009, now known as a 'Primary Care Workforce and Training Hub'. Haxby Group Training coordinates the development and delivery of training activities and courses.

What we do

As a Primary Care Workforce and Training Hub in Humber Coast & Vale we provide training support to a growing network of other local practices. We coordinate local schemes on behalf of Health Education England. This includes aiding practices to develop mentors, offer student placements to nurse undergraduates, employ and train newly qualified Nurses, HCA apprentices, Advanced Clinical Practitioners and Physician Associates.

Currently available schemes that we support in our area are:

➤ **Advanced Training Practice Scheme (ATP Scheme) for Student Nurses**

- ✓ Offers funding and support for practices to take undergraduate student nurses on placement
- ✓ The aim is to increase access to general practice placements for student nurses, to promote practice nursing as a career and help secure the primary care workforce of the future

➤ **HCA Ready Scheme (HCA Apprenticeship Scheme)**

- ✓ Offers funding and support for practices to employ and train an Apprentice HCA, including a programme of study days and Level 3 diploma in Healthcare Support
- ✓ Currently coordinated on a cohort basis usually starting around September, information packs for expressions of interest are usually available between April-May

➤ **GPN Ready Scheme**

- ✓ Offers funding and support for practices to employ and train a newly-qualified nurse or a return-to-practice nurse
- ✓ Coordinated annually, information packs for expressions of interest are usually available between April-May

➤ **ACP Ready Scheme**

- ✓ Offers funding and support for practices to employ and train an Advanced Clinical Practitioner, including financial support towards education and training over their first two years of employment whilst working towards completing the MSc in Advanced Clinical Practice. Available to practices within Humber, Coast and Vale

➤ **PA Ready Scheme**

- ✓ Offers funding and support for practices to employ and develop a new Physician Associate over a two year preceptorship period. Available to practices within Humber, Coast and Vale

➤ **TNA Ready Scheme**

- ✓ Offers support and guidance for practices to access the Trainee Nursing Associate apprenticeship course , develop a Nursing Associate and access funding

Contact us on training@haxbygroup.co.uk for full details and the latest info.

We would be delighted to help you if you are interested in taking advantage of any of the available schemes.
