NHS

Quick Guide to Complete DSPT Registration

- To access the Data Security and Protection Toolkit (DSPT), please click the link: https://www.dsptoolkit.nhs.uk/

- Please note you are only required to register on the DSP Toolkit and are not expected to answer any of the questions.

- The DSPT North team will be in touch over the next few weeks via your CCG or LA lead with details of resource packages and webinars to help you complete the questions within the toolkit.

Organisation search   News   Help

The Data Security and Protection Toolkit is an online self-assessment tool that allows organisations to measure their performance against the National Data Guardian's 10 data security standards.

All organisations that have access to NHS patient data and systems must use this toolkit to provide assurance that they are practising good data security and that personal information is handled correctly.

This system is subject to ongoing development.

What's new?

Toolkit webinar slides (Updated 12th August 2020)

Presentation slides and video from recent Webinar sessions

DSP Toolkit Deadline Extension - Frequently asked questions (18 May 2020)

Lots of questions have been received about the extension to the DSP Toolkit deadline so they have been collated in an FAQ page.
