

Meet our Dementia Care Coordinator

Helen is a dementia care coordinator who is passionate about providing patients with the best care for them to ensure that patients feel continuously supported and always involved in all aspect of their care.

An appointment could help to:

-  Support you pre and post diagnosis
-  Make referrals into appropriate services that help you and your family
-  Understand your diagnosis and what to expect
-  Coordinate care

“Helen has made a great difference in the holistic support of people with dementia and memory problems. She is also helping raise the profile of dementia and the importance of diagnosis.”
