# LIVE Bespoke Course Webinar for Medical Professionals

**In association with**

**NHS England,  
across the Humber  
Coast & Vale CCGs**

## **LIVE 'Hot Topics' Primary Care Nurse Course Webinar**

**Thursday 4th February 2021**

**9:30am - 5:00 pm**

NB Medical is delighted to be working with NHS England across the Humber Coast and Vale CCGs to provide you with a LIVE, fully interactive, Hot Topics Primary Care Nurse course webinar. Experience all of the same topics and resources as if you were attending a face to face course, but from the comfort of your own home.

Due to COVID-19, we have had to adapt to changes in how we work and how we learn. Therefore, we are delighted to be presenting you with the Hot Topics Primary Care Nurse online learning experience where you can ask questions and take part in polls, making the whole experience as exciting and as fulfilling as attending a face to face course.

You will also be presented with a certificate of completion awarding 6 CPD points for attending this webinar.

**For more information please contact: Tel: (0191) 5197293 Website: [www.nbmedical.com](http://www.nbmedical.com)**

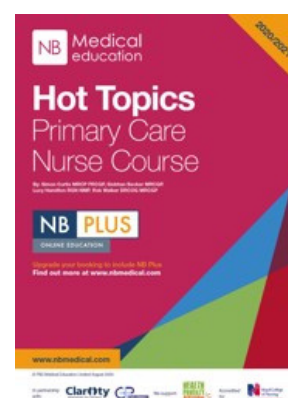

# COURSE INFORMATION

## OVERVIEW

The “Hot Topics” course consists of a series of short ‘TED-style’ engaging presentations blending evidence and cases, followed by discussion which may have an impact on your practice. The course comes with a number of extra resources to give it incredible ‘added value’

## COURSE REFERENCE BOOK

Prior to the event your course reference book will be posted to your address. The book is fully referenced with recent summaries of the evidence for approximately 150 clinical Hot Topics commonly seen in primary care. Most of our delegates use this every day, like they use the BNF. All of the material is up to date and the material is completely 100% independent from any external influence.

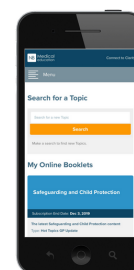

## ONLINE CONTENT

12 months access to the on-line electronic version of the book which is instantly searchable. All the original references and resources for GPs (e.g. links to on-line clinical calculators) and patients (e.g. patient information leaflets) are hyperlinked and just one click away.

## NB MEDICAL APP

The NB Medical App giving you access to the content from your course day in a fully searchable mobile friendly format on both iOS and Android devices.

## UPGRADE TO INCLUDE NB PLUS

You can upgrade your order to include **NB PLUS**

**NB PLUS** includes:-

- All current NB Medical Course Webinars
- PLUS NB Learning CPD Modules
- PLUS Safeguarding and Child Protection Update
- PLUS Online Basic Life Support

You don't need to go anywhere else for your annual CPD

# ENROLMENT INFORMATION
