Health Education England

Advanced Clinical Practitioner Funding 2020/21

Health Education England have advised it may be possible to fund more ACP trainees in this financial year. Whilst they acknowledge this is very late in the day, if you do have colleagues ready and able to secure a place at an HEI starting before the end of March please complete the below application form.

- [Application Form](#)
- [ACP Principles and Supporting Information](#)

For any applications or any queries please send these to training@haxbygroup.co.uk who will co-ordinate with HEE.
