## Practice Nurse Engagement

### What's in your Practice Nurse Engagement Bulletin?

This weekly bulletin provides details of training, guidance, access to past editions and lots more. There's also helpful information on the web pages dedicated to our practice nursing colleagues. [Please click here to bookmark these pages.](#)

### Nursing & Midwifery Matters

#teamCNO

### Nursing and Midwifery Matter Bulletin- May/June 2021

Please find attached the most recent edition of this regular bulletin produced by NHS England and Improvement. These feature national updates including from the Chief Nurse of England, training and development opportunities, jobs, information about nursing and peer support networks and more.

We would find it really valuable to understand if nurses already receive this direct, and if not to encourage you to subscribe through this [link](#).

## **Haxby Group Training Diary- Summer/Autumn 2021**

Please find through this [link](#) details of opportunities available through Haxby Group Training over the upcoming months both virtually and in person. This includes:

Imms and Vaccs Update for Nurses  
Imms and Vaccs Update for HCA's  
Basic Wound Care  
Basic Life Support  
Basic ECG  
Venepuncture  
Flu Update  
Chaperone

This bulletin has been produced by NHS Vale of York Clinical Commissioning Group.
