Nurse Advocate Training Programme for Practice Nurses

Please find below details of below training programme which is fully funded by NHS England and Improvement. The application deadline is **4.00pm** on **29 October 2021**. Please submit the below EOI form direct to england.ney.nursingpna@nhs.net

The Professional Nurse Advocate (PNA) Training Programme is a virtual accredited Level 7 master's clinical professional development training programme

that will run for 10 days but can vary over weeks or months. The criterion for the PNA training programme requires that you:

- Are a registered nurse
- Are in a patient facing role
- Are Band 5 or above
- Already hold an accredited Level 6 qualification (degree or degree equivalent/ top-up accredited Level 6 CPD course)
- Have practice manager/ lead nurse approval to be released

The training programme will equip registered nurses with the skills and knowledge to support the mental health and wellbeing of fellow colleagues and improvement of patient care.

The training will focus on the four functions of the Advocating for Education and Quality and Improvement (A-Equip) Model. The four functions of the A-Equip Model are as follows:

- Clinical Supervision (Restorative)
- Monitoring, Evaluation and Quality Control (Normative)
- Personal Action for Quality Improvement
- Education and Development (Formative)
