Practice Nurse Engagement

What's in your Practice Nurse Engagement Bulletin?

This weekly bulletin provides details of training, guidance, access to past editions and lots more. There's also helpful information on the web pages dedicated to our practice nursing colleagues. [Please click here to bookmark these pages.](#)

Connected, Authentic
Resilient & Empowered

System Leader Webinar: Developing Nurse Leaders Through Group Clinics

When: Tuesday 23 November 12.30-13.45

The CARE network would like to formally invite you to the upcoming webinar. This webinar is a chance for those charged with developing nurse leadership to explore how group clinics can help nurses become leaders of clinical redesign. More information and booking details can be found through this [link](#).

This bulletin has been produced by NHS Vale of York Clinical Commissioning Group.
