IPS MEMBERS: FREE
NON-MEMBERS: £22.15

The June meeting for the Infection Prevention Society's (IPS) Care Home Special Interest Group (SIG) will be held face-to-face at the Haigh Group in Clay Cross, Derbyshire. The event will be a full day (09:30-1500) on June 8th 2022. There will be several presentations throughout the day for learning and reflection, plus there will also be a several healthcare representatives with stands. In addition, a lunch will be provided!

Confirmed speakers include:

- Prof. Katie Laird, Professor of Microbiology, Head of the Infectious Disease Research Group
- Dr. Sarah Younie, Professor of Education Innovation, De Montfort University
- Vickie Longstaff IPC Specialist HC-One
- Becky Hill, Microbiologist Solutions 42 *'Negating the effects of diarrhoea and vomiting in a care home environment'*
- Fiona Branton, Head of Infection Control Nottingham City Care *'Protection from Infection in the Care Home – Does Behaviour need to change in a Post Pandemic World'*
- Lisa Hodgkinson, Infection Prevention and Control Matron NHS Nottinghamshire CCG *'The Impact of Infection on Frailty'*

The event is free to IPS care home SIG members, and we are also really excited to be able to open the event to non IPS members for a small fee of £20 plus a £2.15 charge. **Please pass on as appropriate to anyone working in or alongside the care home sector.**

Spaces are limited and can be ordered through [Eventbrite](#). *Please ensure you can attend before ordering a ticket. If you order a ticket and are later unable to attend, please cancel the ticket through Eventbrite.*
