

## Capacity Tracker- ASC Mandatory Submission Reminder

- This week marks the first requirement by DHSC of **All CQC registered providers** to complete the Capacity Tracker at least once monthly within the period within the 7 day period 8<sup>th</sup>-14<sup>th</sup> each month (Or next working day if 14<sup>th</sup> is weekend/bank holiday.
- The information included in the submission is shown in yellow on the tracker- and you will get a confirmation to say successfully completed. The submission will include Flu vaccination from September and autumn boosters from October.
- Providers who haven't completed will receive automated reminders from the system, and are able to access support through the national helpdesk as required.
- From November fines will come in as a last resort for regular non completers (proportional to CQC registration fee)
- Further daily further training dates for both care homes and domiciliary care as a refresher to those who need it.
- The local ask is still to please update **daily**- Which provides up to date information health and social care to support providers, and identify timely packages of care.
