

Modernise your care home with the latest Wi-Fi 6 Technology.

With funding of up to £6000 available for the hardware and the installation, all you have to do is follow these 3 simple steps:

1. Call
2. Arrange Installation
3. Relax and Enjoy

** Support and hardware refresh costs are between £10 - £15 per week **

1. Give us a call.

If you are interested in the latest in wireless technology throughout your care home, our friendly service desk are ready to take your call

Our number is:
(01472) 256789

2. The installation

After we have visited site to provide an expert opinion, we will arrange to carry out the work at a time and date that will suit you.
