Learning to date

Strong Relationships

Filey PCN's – providing support and information on care home digital maturity. Homes being signposted to DREaMS for Support.

NHS Mail Teams - Able to signpost quickly and effectively to correct support

DSPT – support and signpost homes through to registration and completion

Funding Opportunities

Finite funding available across Humber and North Yorkshire Care Partnership

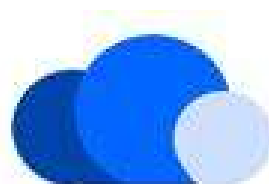

Infrastructure Funding (Connectivity) – Residential only

- Identified through DREaMS Team Digital Maturity discussions
- Presented at Locality Working Groups and ICS boards
- Shortly be put in contact with supplier for North Yorkshire/York

Digital Transformation Fund (DTF) – All sectors subject to 3 year plan

- 3 Year Plan – Year 1 Residential, Year 2 Domiciliary, Year 3 – voluntary etc
- Digital Social Care Records and Sensor Based Falls Technology
- DCSR – NHS approved supplier list
- Falls – 3 quote process until NHS approve supplier list
- Grant application process
