

Adult Social Care Nurse Leadership Programme

York and North Yorkshire

Skills for Care has developed this programme to support registered nurses working in social care (who are in a leadership role) develop their leadership practice and enhance their personal and professional impact when managing teams.

The programme is made up of five interactive workshops covering a range of leadership concepts and theories. These will enable participants to develop the required knowledge and skills to enhance their leadership practice when working across complex and often challenging systems. There will be presentations, discussions, and exercises to take part in, including 360 appraisals and work-based projects to embed learning and further support the development of leadership and management skills.

We're offering 20 funded places to organisations based in York and North Yorkshire as well as a backfill payment of £1000 per participant to employers for those who complete the:

- Nurse Leadership Programme
- Additional NMC approved [Practice Education and Assessor E-Learning Programme](#) (8 hours of self directed study).

Who is this programme for?

- Registered nurses in leadership roles (for a minimum of one year) such as head of care, team leader, care co-ordinator, registered manager or deputy manager with a clinical lead.
