For over 22 years, the Independent Care Group (ICG) has worked on behalf of all care providers for a better future for social care. We act as a professional conduit for providers, passing on concerns and working with local and national authorities to find solutions to key issues such as fee rates, contracts, terms, recruitment and assistance through learning. We are a respected, leading body in the sector with a strong media presence.

For a Discount* annual fee of just £10, you get:

- **WEEKLY E-MAIL BULLETIN** with care news, views and real-time, industry-specific updates
- **20 PAGE MAGAZINE 'Making Care Matter'** - digital copy, quarterly
- **HOT TOPIC DISCUSSIONS** - you can join our 'TUESDAY AT TEN' online sessions
