2013-16 SDMP Actions

Domain	Actions	Achieved
Governance	Embed sustainability within the CCG's policies and procedures and reinforcement of Board level commitment and responsibility. Raise awareness of sustainability across the workforce through organisation development.	v
	Work with strategic partnerships (e.g. Health and Wellbeing Boards) to support sustainable development and better prepare and adapt to the predicted effects of a future changing climate.	√
	Complete the Good Corporate Citizenship Self-Assessment Tool to set a baseline and identify opportunities for improvement.	√
	Review the plan on an annual basis and report on sustainability in the CCG Annual Report	√
Travel	Identify opportunities to reduce car usage by staff and patients: encouraging active travel; promoting low carbon models of care; encouraging the use of remote communication in place of face to face meetings and encouraging home working.	√
Procurement	Commission health services which are environmentally, socially and economically sustainable.	√
	Through the contracting processes ensure that the providers of services commissioned by the CCG are complying with national and local requirements on sustainability, including carbon reduction	in progress
Facilities Management	Minimising impacts on the environment (reduce energy and water demand, minimise waste) and supporting the local community and economy	√
Workforce	Respond to local employment conditions and needs and proactively building a skilled local workforce, promoting the health and wellbeing of employees through our HR policies	in progress
Community Engagement	Understanding the local community and involving its members in decision making and scrutiny, the planning and delivery of healthcare and supporting a strong and sustainable local economy.	in progress
	Identify innovative solutions from engagement.	in progress
Buildings	Consider all relevant sustainability issues in the design and operation of new or refurbished buildings to reduce waste, energy and resource use e.g. promoting active travel, expanding green and natural spaces.	in progress
Adaptation	Contribute to the development of strategic multi-agency plans for responding to emergencies in partnership with the Local Health Resilience Partnership (LHRP).	in progress
